The Official OMA Championships return to Queensland

Oceania Masters Athletics (OMA) is bringing back the official OMA Championships in 2025. The championships were last held in Australia in 2019 in Mackay, where more than 700 athletes participated in a full program of Track and Field events over 9 days.

The 2025 Championships will be held from 6-10 September at the State Athletics Facility in Brisbane, which is part of the Queensland Sport and Athletics Centre (QSAC), the state's premier athletics facility.

Masters athletes travelling from across the Oceania-Pacific region will compete in track and field events, as well as the out of stadia Cross Country. **This is a great opportunity for our regional Masters athletes to wear their national uniform and represent their country with pride.**

With competition over five days (6-10 September), the 2025 championships are expected to attract big fields of Masters athletes ready to reconnect and compete with old friends. And in OMA tradition, athletes will make new life-long friendships from many countries across the Oceania-Pacific region.

Masters athletes registered with affiliated clubs from 22 member countries throughout the Oceania-South Pacific region are eligible to compete.

Find out more about the championships on our website: www.oceania-masters-athletics.org

Registrations will open on Friday March 14
